A Clean Sweep!

No Woman Will Suffer--Yet; the Retreat of the Broom Brigade Raising Some Dust!

Hygeno To the Rescue!!

CLARKSBURG, W. Va., Tuesday, Oct. 24.—The housewives of Clarksburg know three things; first when you sweep with a broom it raises dust; secondly, that a broom does not sweep nearly as clean as a sweeper; thirdly a sweeper lifts the dust and gently carries it away.

Any housewife in the midst of fall cleaning could tell you much about a new broom, or any broom. But the "Hygeno" is something entirely new. Made of steel, light in weight and very strong. It is a sanitary sweeper which harbors no germs.

It is handsome in appearance. It is made of Mahogany and nickel trimmed. So great are these sweepers and so confident are we that all good housewives will want one that we bought two hundred and will have them ready for sale Friday morning in the carpet store, on the third floor for 98c.

It is merely another demonstration to give our patrons advantage of special buying.

You may now see them on display in the windows.

SOCIAL AND PERSONAL

(Continued from Page Three.)

Y. W. C. A. Notes.

Last week the Young Woman's Christian Association gymnasium opened its doors to the women of Clarksburg and many responded. Already the numbers in the gymnasium have almost reached the hundred mark and every day more are enrolling. Week before last was "cafeteria week" and it was surprising how well Clarksburg and the visitors have patronized the lunch room and shared the "good things to eat" that are served there. The attendance increases every day and satisfaction is the aim of those who cook and serve.

This is "educational week" and all classes are ready for enrollment. Monday afternoon the needlework class was open from 2:30 to 5:30 and it gave a chance to learn plain sewing, dressmaking, crocheting, knitting, embroidery and millinery. The class met for the first time Monday, and is still open for a larger number to enroll. Miss Phelps, cafeteria director, has charge of these domestic art classes. Other sewing classes will be held Tuesday evening and Thursday evening from 7 o'clock until 9.

The English class, taught by Miss Nannie Lowe, met for the first time Monday evening and also a Spanish class taught by Miss Lord. Thursday evening the business girls will meet with Mrs. John J. Davis at 7 o'clock, after which the girls will have the gymnasium classes.

Other classes will be organized as the request comes, but now is the time to make it known what each person wants. Now is the time to register.

RESIDENT OF NORTH VIEW IS AN ENTHUSIAST

Mrs. Mary Gamer Praisefully Speaks of Nerv-Worth.

Among the large number of local endorsements of this tonic is the following, which came to Burke's Drug Store some time ago from Mrs. Mary E. Gamer, of Northview.

Burke's Drug Store: I will say a few words to praise your Nerv-Worth. I have had stomach trouble for the past fifteen years and have taken many other kinds of medicine but Nerv-Worth did me more good than any other medicine I've ever taken. I was weak and run down and couldn't sleep a night and didn't have any appetite to eat anything; and now I have taken two bottles of Nerv-Worth and can sleep good and eat hearty. And I praise Nerv-Worth for any run-down, weak system, I hope all people who have stomach trouble and indigestion will try it.

MRS. MARY GAMER.

OF INTEREST TO WOMEN

Chicken with Mushrooms.
Pick and wash a chicken carefully, dry it in a cloth; cut it down the back, truss the legs and wings as if for boiling and flatten both sides as much as possible. It is always better to boil it gently for a few minutes before it is broiled, but this is often omitted. When cold, brush it all over with clarified butter and remember to baste it now and then while cooking; broil it over a clear low fire. It should be placed a good distance from the fire and the inside should be put to it first. The butter should be renewed three or four times. Serve very hot and let stewed mushrooms be sent to table on separate dish. Half to three-quarters of an hour. One chicken to two persons.
